Highlights and struggles of our ministry

Teaching in the Bible Institute and extension classes in Yurimaguas, helping in the Deaf Church, covering administrative work as Team Leaders, performing maintenance on mission properties, and counselling. Highlights included seeing the Bible Institute continue with extension classes in Yurimaguas and the expansion of our camp. We would like to see the Bible Institute grow, as well as the extension classes, and to see more unity and working together of the churches in Iquitos.

For Prayer

We struggle seeing continual division in the churches in Iquitos.

For our sons and their families as they serve the Lord in different parts of the world.

For more workers.

For health, strength and wisdom, patience, and to trust the Lord more in our lives and ministry. We need to be reminded that God is in control.
