

## Missionary Focus

### David Burgoyne—“Arabia”

TEAM: Church planting/Evangelism

#### Highlights

This year Dave transitioned from language student to pastor of a house church in O\_ \_n. The town is predominately local Arabs. The church is composed of English speaking workers from various parts of the world. They worship on Friday, the Muslim worship day. They are not an “authorized” church so they must exercise caution. Dave would like to see the church grow and become strong. He would like personally to improve his Arabic skills and become better equipped to discuss spiritual things with local Arabic people. “My ministry is two-sided: build the church; reach local people (Arabs)....All over the Arabian Gulf believers are having conversations with local Muslims; when they occasionally come to the Lord (and at this point quite rare) there is intimidating and often violent persecution....But everyone here knows the LORD is at work.

#### For Prayer

Financial support

Ability to share the Word of God more fluently in Arabic

Local friends to spend time with and visit

Protection/ Preservation of the local church

## Construction Update

### Where did the trees go?!

This week we kicked off the first phase of the building project. Please refer to this section of the bulletin to get the latest updates. Each week there will be a 2 week outlook and a monthly outlook to prepare you for updates and changes that will impact Sunday Services.

### Two Week Outlook

Shrubbing, grubbing and stumping. The trees behind the church and the 10/12 Free Street lots were removed this week. The next step will be to clear the land of shrubs, stumps, and debris. This process is expected to continue into the week of August 9. Erosion and Site controls will also be set in place.

### One Month Outlook

Once the land is cleared, expect to see classroom, nursery, and work trailers on site plus gated and fenced areas and signage clearly marking the construction site.

### Parking

Sunday Parking will not be impacted next week. If you need to access the church during the week, please park in the side parking lot and enter through the kitchen entrance. If you need to visit with a pastor or office staff please park in the driveway at 20 Free Street.

### WARNING

Large sections of the church property will be considered an active construction zone. Please follow all signs and warnings. Your safety is our number one concern.

## What's Current
