The Mission of the Church

January 8 - February 12
(6 Sessions)

What is the church’s unique priority as it engages the world? Churches in America today offer a variety of answers to this crucial question. For six weeks we will discuss the biblical vision of gospel-centered churches multiplying themselves in strategic places for the glory of God. Attendees will grow in understanding how disciple-making, social justice, evangelism, and the Kingdom of God relate to the Church’s mission.

STUDY:

The Insider

January 8 - February 12
(6 Sessions)

Evangelism is not just for the chosen few! You are already uniquely positioned to be an ambassador among the people you relate to every day. God has called you to be an “insider” to your family, neighborhood, and workplace. As you adopt the winsome patterns of a kingdom lifestyle, people in your life will see that there is, indeed, a better way to live. *The Insider* will help you explore a new lifestyle as a witness with new vision and purpose.

Heroes

O.T. Characters/Christian Biographies

January 8 - February 12
(6 Sessions)

A study of the lives of those who blazed the trails in their day. Faithful and fruitful servants of God from the Old Testament and from Church History - yet they were only human. They struggled with weakness, sins and shortcomings and yet witnessed God’s faithfulness. Gain perspective and encouragement for your walk today!
